

BARKER CHILD CARE DEVELOPMENT CENTER

INVEST IN QUALITY CARE

The YMCA DIFFERENCE

LEARNING TOGETHER

- Children feel valued and appreciated while increasing their self-confidence with trained and educated teachers.
- Certified staff will work to develop your child's motor, cognitive, language, and social skills.

NUTRITION

- The Y provides nutritious, balanced meals served family style.
- We encourage healthy eating habits by learning portion sizes & balanced meals.
- Social skills, manners, and language are developed through conversation at the table.
- We provide formula, cereal, and infant food to children under 12 months of age.

PHYSICAL ACTIVITY

- Children ages 3+ will take trips to the YMCA for programming and fun.
- Skill development encourages fun, age appropriate activities. Purposeful play facilitates social skills.
- 15 minutes of physical activity each hour is integrated into the curriculum.
