WORKOUT WHEN YOU WANT

YMCA 24-HOUR FITNESS CENTER ACCESS Door County YMCA

We know you're constantly on the go. That's why the Door County YMCA is pleased to offer our adult members 24/7 access to both of our facilities!

How it Works (Application Process)

- Must be an active Door County YMCA member and 18+ years of age
- Read, fill out, and sign the 24/7 access waiver on the back side of this document
- Purchase a fob (\$20) at either branch's Welcome Center. The payment is nonrefundable and the fob becomes your personal property regardless of future membership status.
- Your background check will be processed and may take anywhere from three to seven business days (in some cases, this may take longer).
- After the background check is approved, you will receive an activation email via our membership staff. Your fob will be activated and you may begin enjoying 24/7 access. If we are unable to approve access based on the background check results, a refund will be provided at your request.

Safety and Security

- Facilities are monitored by our security & video/audio surveillance system. Video footage is reviewed daily.
- Emergency telephones are located in each branch: on the Wellness Center desk (Kane Center) and the end of the main hallway and fitness center (Sturgeon Bay). Immediately call 911 in case of any emergency.
- AEDs are located on the wall by the Welcome Center and Lifestyle/Wellness Center in each branch. Only use this in case of cardiac emergency and if you have been properly trained on its use.
- During inclement weather, you may still access the facility, but you do so at your own risk (no snow removal or salting provided).

- Adult members of the Door County YMCA who are ages 18+ are welcome to apply for 24/7 fitness center access at the YMCA member services desk. To apply for access, you must sign a 24/7 access waiver and agree to abide by our policies, pass a background check, and purchase a \$20 key fob.
- 24/7 members are welcome to use the YMCA Fitness Center any time day or night, but there will be no staff available to assist members during non-staffed hours. Please see our website, DoorCountyYMCA.org, to view current staffed building hours.

Policies / Honor Code

- Your fob is non-transferable and for your use only. No guests, friends or family are allowed.
- If you lose or damage your fob, notify the Y immediately. A replacement can be purchased for \$15.
- Ensure that the door closes behind you after entering the building. Do not hold the door for anyone, as they will need to scan their own fob for access. All members must scan their own individual key fob every time they enter during unstaffed hours.
- If an alarm sounds, members are required to immediately evacuate the building. Emergency personnel and Y staff will be notified and arrive on-site, and will then make a determination if/when it is safe to reenter.
- Failure to adhere to any of the above guidelines, general Y Code of Conduct policies, or the policies laid out on the waiver form will result in temporary suspension of your 24/7 access, or outright revocation of the privilege.
- In rare instances, facilities may be closed to after hours access for necessary maintenance. Stay updated with our mobile app (Door County Y) or website (doorcountyyymca.org).

Door County YMCA 24/7 Facility Agreement, Waiver and Release Form

Initial each line marking acceptance

Use of the Door County Y (DCY) facility outside of staffed hours of operation is for DCY members only. Members must be at least 18 years of age, have passed a criminal background check, have purchased a key fob, and must use their assigned key fob to gain entrance. Family members on my membership cannot use my 24/7 access, even if I am present. I understand if my key fob is used to let anyone in I will lose my 24/7 access permanently and possibly lose my DCY membership.

The DCY will conduct an extensive criminal background check (examples may include: theft/or violent acts) using the information I provide. The results of the background check are strictly confidential. I understand that should my background check not meet the stringent requirements of having 24/7 access, I understand that my key fob will be deactivated, and I am entitled to a refund of fees paid. I understand I will receive email notification of when my access is available or revoked.

The DCY HIGHLY recommends that you have an adult workout partner, who has a 24/7 membership with the DCY, accompany you while using the DCY 24/7 facility (unauthorized personal training is not allowed and will result in termination of 24/7 access). You have agreed to purchase a membership key fob which will allow you access to the DCY facility outside of staffed hours of operation. As such, you are aware that there will be no staff or assistance when using the facility(s) outside of the regularly staffed hours of operation. You are also aware that should you become injured, unconscious, suffer a stroke or heart attack, that there will likely be no one to respond to your emergency and this facility has no duty to provide assistance to you.

Physical exercise can be strenuous and subject to risk of serious injury. The DCY urges you to obtain a physical examination from a doctor before using any exercise equipment or participating in any exercise activity. You agree that if you engage in physical exercise or activity, or use any DCY amenity on the premises, you do so entirely at your own risk. You agree that you are voluntarily participating in the use of this facility and assume all risks of injury, illness, or death. The DCY is also not responsible for any loss of or damage to your personal property.

This agreement includes, without limitation, all injuries which may occur, regardless of negligence, as a result of; a) your use of the allowed amenities (gym space, free weight room, lifestyle center only) and equipment in the facility and your participation in any activity, b) the sudden and unforeseen malfunctioning of any equipment, c) you slipping and/or falling while on the DCY premises, including adjacent sidewalks and parking areas. I understand that the following areas/amenities are not available outside of regular business hours: locker rooms (Kane Center only), classroom spaces, pool, and personal training.

Snow removal will not be available outside of regularly scheduled hours. Members with 24/7 access can utilize the DCY but do so at their own risk from the elements.

Under sole discretion of the DCY, my 24/7 access may not be granted or may be revoked at any time (ex: membership is on hold, or NSF for membership fees)

I understand and acknowledge that unauthorized use of video or photos is strictly prohibited.

You acknowledge that you have carefully read this agreement and fully understand that it is a release of liability. You expressly agree to release and discharge the DCY and all affiliates, employees, agents, representatives, successors, or assigns, from any and all claims or causes of action. You agree to voluntarily give up or waive any right that you may otherwise have to bring a legal action against the DCY for negligence, personal injury or property damage.

Note: Should any part of this agreement be found by a court of law to be against public policy or in violation of any state statute or case precedence, then only that wording is removed, and the remainder of this agreement will remain in full force. By signing below, I give the Door County YMCA (DCY) permission to conduct a criminal background check on me.
