The purpose of the Private Lesson Program is to provide:

- The opportunity for patrons to progress at a pace they set, in an environment appropriate for their needs in a one-on-one environment to facilitate skill acquisition.
- The opportunity to schedule lessons at a time that is convenient for our patrons.

The Purpose of the Semi-Private Lesson Program is to provide:

- The opportunity for two participants who are in the same level and ability to work together toward skill development in an environment and pace set by them.
- The opportunity for two family members to have swim lessons at the same time to help facilitate efficient use of time. (Participants in this type of lesson are asked to understand that semi-private lessons with students of differing abilities will not be as effective as private lessons.)

General Information about Private and Semi-Private Lessons:

- All lessons consist of four 1/2 hour lessons and must be paid for in advance.
- If you are unable to attend a scheduled lesson, notice of at least 24 hours must be given, or the missed lesson will count toward the four sessions included in the full size.
- In the event of an injury or severe illness, the session may be rescheduled as part of the four sessions included in the full fee. (Please note, a written notice from a health care provider may be requested.)
- All Private and Semi-Private Lesson Packages expire 6 months after purchase.
- Any special requests or physical concerns should be indicated in writing above.
- **Allow up to 2 weeks after payment to be contacted by an instructor to schedule lessons.**
